Dr. James La loves making people smile. From your very first visit to Arlington Family Dentistry, you'll experience the fun and energetic atmosphere that tells you this is a doctor who truly enjoys what he does. Dr. La's skill and warm personality are a winning combination as his outstanding training and caring, positive attitude provide the experience your family deserves.

Educated at the Baylor College of Dentistry, Dr. La has the expertise and ability to determine which procedures are right for his patients, and always spends the time it takes to fully educate each patient about treatment decisions. "I believe it's important to build a relationship of trust and respect with my patients. I want to be sure they are comfortable before we begin any treatment," said Dr. La. "My goal is to meet each patient's individ-

ual needs and surpass their expectations." Patient-centered, friendly and relaxed, the team at Arlington Family Dentistry wants to understand your concerns while providing a thorough diagnosis and a customized treatment plan that will give you a beautiful smile and healthy bite.

THE RIGHT CHOICE FOR YOUR ENTIRE FAMILY

Choosing the right dentist for your family is one of the most important healthcare decisions you make. Committed to excellence, Dr. La is joined in his practice by an incredible team of professionals, from the front office to the dental assistants and hygienists who share his passion for treating patients the way they would like to be treated. From your child's first dental visit to regular cleanings and cosmetic techniques, Arlington Family Dentistry brings state-of-the-art technology

and cutting-edge dental care to your entire family in a warm, welcoming and friendly environment.

Dr. La and his wife keep busy raising their two children and doing charity work in their church and, when time permits, Dr. La enjoys playing golf and fishing.
